

LCEC Lighting Solutions is a full-service turn-key program, offering complete decorative lighting services for residential developments, roadways and parks. We offer a variety of attractive, high-quality decorative light fixtures that will meet the most demanding applications.

The fixture, pole, maintenance, and energy charge is included in one monthly fee, which is conveniently added to your electric bill.

To calculate the total monthly fee, add the selected fixture/energy charge to the selected pole charge listed below. Additional charges may apply for unusual or multi-fixture installations.

	<i>Decorative Fixture</i>	<i>Private & Public Fixture/Energy Charge</i>
	150 watt HPS (Post-top)	\$20.91
	175 watt MH (Pendant)	\$30.41
	<i>Pole Type and Height</i>	<i>Pole Charge (Private & Public)</i>
	13' Decorative Concrete Pole	\$12.75
	18' Decorative Concrete Pole	\$14.00
	Guard Rail Installation	\$2.60
	Underground Conductor	\$0.01/foot
